**Soldier**

**Retiree**

**Veteran**

**Family Member**

-The NRD provides access to more than 11,000 services and resources at the national, state and local levels that support recovery, rehabilitation and community reintegration.

-Maintained by the Departments of Defense, Labor and Veterans Affairs, the NRD links to federal and state government agencies; Veterans service and benefit organizations; non-profit and community-based organizations; academic institutions and professional associations who provide assistance to wounded warriors and their families.

-Full range of medical and non-medical services and resources needed to achieve their personal and professional goals across the transitions from recovery to rehabilitation to community reintegration.
